SPRING CLEANING

Are you responsible for one of the derelict cars dotting the landscape of Peaks? There's an easy disposal solution only a phone call away! Call Paul Bridges at 415-4925 and leave a message describing your car and its location on the island. Then write a check for \$25 dollars made out to the Children's Workshop and leave it on the dashboard. Voila! Your beloved vehicle will disappear with no further involvement on your part! Just think: the kids at the workshop benefit, our streets benefit, and you can look forward to Spring with a clear conscience!

Perhaps, though, your clutter is smaller and indoors. In that case, consider bringing unwanted but recyclable clothes and small household items to the thrift shop at the Brackett Street Church. Dates for March are Saturday March 13th from 10:00 to 1:00 and March 25th from 4:00 to 6:00.

This message is brought to you by PEAT, Peaks Island Environmental Action Team, the one-stop clearing house for establishing a greener environment on Peaks Island. Check out our website at www.greenerpeaks.org.

Please note the earlier opening on Fridays and that Lois Tiedeken is licensed to see patients ages 13 and older. This month the office will be closed on Monday, March 15. We will be open with administrative staff only on Wednesday, March 17.

Dr. Pulsifer will be at the Health Center on Friday, March 19, seeing patients from 8:30a.m. to 2:00p.m. If you are a patient of hers and are due for either a physical or a follow up visit, please call the Center to schedule an appointment. Please keep in mind that she will book up fast, so call early to secure an appointment.

This month we will have our lab tech here to draw blood on either the second or the fourth Friday of the month. Please call the office for a definite date.

We are implementing a couple of new policies that we would like to bring to your attention:

- In order to provide you with the best possible care at all times, we are asking patients to select or identify a physician provider. This will enable us to work together to ensure efficient and comprehensive care for you and your family.
- Please be sure to bring your insurance card with you to your appointments so we can update your information. This is especially important since it is the New Year and many insurances change.
- We are also collecting co-pays, if applicable. If your insurance requires co-payment, please make sure you bring that with you at the time of your appointment.

Please call the office at 766-2929 to schedule appointments. When the Health Center is closed, call your primary care provider. For medical emergencies, call 911.

Peaks Island Public Safety

Greetings to all,

I am just writing to remind everyone of the importance of locking your vehicle and of not leaving the keys in your vehicle. The police officers on the mainland have identified an increase in the burglaries of motor vehicles. In most cases, the police officers have determined that the vehicles' doors were left unlocked. I understand that life on Peaks Island was such that you could leave your vehicles unlocked; unfortunately, times are changing. By simply locking your vehicle you will help to deter burglary and prevent yourself from becoming a victim.

I would also like to mention that Officers Dan Rose and Les Smith have had a great deal of success with their wrestling and women's self defense (RAD) classes that they lead. If you are interested in future classes, please contact the officers at the police station for further details.

As always, feel free to contact me with any issues or concerns at 207-233-0995 or stop by the police station to discuss in person.

Let's keep our fingers crossed for a mild March!

Officer Robert Lauterbach

The girls were busy in February making valentines and delivering "Sweet Treat Valentines" to 20 seniors throughout the island. The girls especially enjoyed delivering the treats to everyone. We hope you enjoyed them.

Senior News

Peaks Island seniors met for their pot luck luncheon on February 8th. The table was festooned with valentines and heart shaped candies. The food was delicious as usual. After lunch Reta Morrill spoke and read from the book called "A Glimpse of Old Peaks Island: Through Rose-Colored Glasses." The book was co-authored by island childhood friends, Reta, Alice Boyce, Ellin Gallant, Joyce O'Brien and Eunice Curran. They all reside on Peaks now. If you want to know more about Peaks in more simple times you will love reading this book.

The next pot luck luncheon will be held on Monday, March 8th at noon at the community room at the senior housing on Central Avenue. All are welcome to join in the fun, food and fantastic company. The next week is St. Patrick's Day you're welcome to wear GREEN.

HOMESTART

HOMESTART is pleased to announce the independent housing selection committee. Beau Boyle, Pastor; John Kelso, Educator; Desi Larson, Pastor; Diane Price, School Secretary and Ruth Williamson, Retired Pastor have agreed to serve on this important committee. Recognizing that the applications ask for personal information, the selection committee is dedicated to confidentiality. Applications and guidelines are available at the library, local churches, the school, the Children's workshop and the website. Members of the committee and HOMESTART Board members also have applications to share. We encourage community members to apply.

In December, HOMESTART, working with a Walsh Engineer, Kaplan Thompson Architects, and Genesis Community Loan Fund, submitted a conditional rezone application to the city to build two new, energy efficient affordable homes at 18 Luther Street. The City Planning Workshop was held on January 12, 2010 and a Neighborhood Meeting was held on island on January 30, 2010. The next step is a Planning Board Hearing. The Board has requested that a Planning Board Meeting be held on island. The date of that hearing has not yet been set.

The proposed plans for the two homes are available on the HOMESTART webpage (<http://peaksislandhomestart.org/news.html>) and at the library.

Community members are invited to Board meetings held at 7 pm on the third Thursday of each month at the Fay Garman House Community Room. Thank you to our donors as we work toward matching an Islands Challenge Fund Grant of \$25,000.

CERT Preparation Continues

Our volunteer Community Emergency Response Team (CERT) meets on the third Monday of each month at 6:15 PM in the Community Center. The March 15th meeting will include training by members of the Portland Fire Department.

Our CERT team prepares to back up the Portland Fire Department and Volunteer Firefighters in case of emergencies or disasters.

Islanders who would like more information about CERT should contact Al Bleau at 766-0007 or other team members.

March at the Peaks Island Branch Library
in the Community Building 207-766-5540 email peaks@portland.lib.me.us
Hours Open: Tues 2-8 Wed 10-4 Fri 10-2 Sat 8-12

The "Bad News" is that the Monument Square branch of the Portland Public Library is now closed for the whole month of March and the first few days of April. The "Good News" is that while the main library is closed, all other branches remain open at their regular hours. MaineCat and Interlibrary Loan services will still be available to you, though it is best to allow extra time to get items you want during this period.

The "Even Better News" is that when the Monument Square branch reopens on Tuesday, April 6, the first phase of the renovation will be completed and you will have an amazing new facility, with beautiful spaces for children and families as well as teens and adults to enjoy. The Peaks staff has had a recent tour and what we saw is beyond our expectations. Yet another reason to look forward to Spring.

First Tuesdays Book Discussion will meet Tuesday, March 6, to discuss *Brooklyn* by Colm Toibin. For April 6, the book will be *Sea of Poppies* by Amitav Ghosh. To reserve a copy, call or email the library to reserve a book. Please include your library card number. Book discussion meetings are at 7 pm, in the Community Room.

The Book Discussion is open to anyone who would like to attend. Usually the books are chosen by a person who agrees to moderate the discussion. The following books have been selected for the next six months:

May 4 – *The Hunger Games* by Suzanne Collins – moderator, Patricia Erikson
(This book was chosen for its appeal to young adult readers as well as adults. Anyone who has read the book is encouraged to attend.)
June 1 – *Brick Lane* by Monica Ali – moderator, Mary Douglas
July 6 – *Girl with the Dragon Tattoo* – moderator, Jane Kaveney
August 3 – *Sunflowers* by Sheramy Bundrick – moderator, Julie Kilmartin
September 7 – *The Help* by Kathryn Stockett – moderator, Stephanie Castle
October 5 – *Half the Sky* by Nicholas Kristof – moderator, Christina Foster

Thank you to Ms. St. Germain and the fourth and fifth grade students of Peaks Island School for sharing their work during February at the library. On February 2, they came to the Book Discussion of *After Gandhi*, where they contributed their knowledge and opinions, based on their research on the courageous individuals profiled in the book. Afterward, they graciously lent the library their art and writing projects to display for the rest of the month. All who saw the posters learned a lot and were impressed with the quality of the work. Thank you Fourth and Fifth Graders!

Nursery Rhyme Time for infants and toddlers is on Wednesdays at 11am.
Story Time for preschoolers is on Fridays at 10:15am.

Friends of the Peaks Island Branch Library

The Friends are hard at work, showing movies every week, organizing the Book Discussion, planning the annual Birthday Book Party for elementary-age children, delivering Library Book Bags to newborns, preparing refreshments for library and Friends events, organizing the book sale, buying comfy chairs for the Community Room, buying a new copier, supplying funds for more library books, organizing the Authors and Illustrators Shelf, planning a great Annual Meeting program, creating a blog, and NOW, they're even on FaceBook. If you would like to be involved, contact Monica Stevenson, president, or leave your name at the library and she can contact you.

FIFTH MAINE REGIMENT MUSEUM
P.O. Box 41
Peaks Island, Maine 04108

(207) 766-3330 • fifthmaine@juno.com

The Fifth Maine is pleased to offer a History Comix Camp this coming July for kids ages 11 – 14. The theme is Casco Bay Piracy. Kids will visit Fort Gorges, sail on the Bagheera, learn what life was like in Casco Bay years ago when pirates plundered ships sailing along the coast and then create a comic book based on what they have learned. Our Civil War Kids Camp for 8 – 12 year olds will also return in July. It's a great opportunity for kids to experience some of the activities that kids in the 1860s participated in.

Registration is on-going for our May 22 workshop, *Teaching and Interpreting the Civil War: Are You Ready for the Sesquicentennial?* Anyone interested in learning more about the legacy of the Civil War and how to preserve it for future generations is encouraged to attend. The fee is \$15 per person. The workshop is supported, in part, by a small grant from the Maine Humanities Council. For more information about both camps or the workshop, check the education page of our website, www.fifthmainemuseum.org or contact Patricia Erikson at perikson@usm.maine.edu.

Peaks Island Tax Assistance Committee (PITA)

Our Loaf and Ladle Dinner will be Tuesday, March 16 from 5-7 p.m. at the Peaks Island Baptist Church hall. Our menu will include some surprises for St. Patrick's Day. We promise great food at a very reasonable price! If you have not come to dinner, you must. You will definitely enjoy the meal, the lively conversation, and the chance to see friends. The desserts that Charles Burr and others bring are worth the price of admission. Our cooks come up with amazing recipes. If this keeps up we will have to consider writing a cookbook! Our charge of \$6 per adult and \$2.50 per child helps to make this affordable and to raise funds for Energy and Tax Assistance.

Property taxes are due March 12. Applications are on the bulletin board at the library. Please contact one of our clergy if you need assistance: Pastor Beau Boyle, Pastor Desi Larson, Retired Minister Ruth Williams.

Our PITA Account needs an infusion of funds. This has been a tough year for some of our neighbors. Tax season is particularly difficult for some. Our goal has been to help all who apply and to keep our friends and neighbors in their homes. If you feel you can make a donation, please mail it to PITA, PO Box 126, Peaks Island Maine.

Our thanks to those who made donations during our special appeal to keep a family from foreclosure. We raised almost \$1200. Where else but Peaks Island would you find such caring and generous people!

Peaks Island Tax Assistance

PEAKS ISLAND- ENERGY ASSISTANCE

March is here and we hope the month will bring warmer temperatures and less snow. Even though we are anticipating warmer weather we still know there are some cold days ahead. This is Maine!

Energy Assistance is available year round. There are applications on the Library bulletin board. If you know and Islander who could use our assistance, please contact Pastor Beau Boyle, Pastor Desi Larson, or Retired Minister Ruth Williams who are very willing to help with the application process. We can provide up to \$300 for energy assistance. Our clergy partners have been so helpful and effective.

If the need arises, you may apply again through your clergy. Please use the same clergy for all applications.

We will continue to sponsor monthly Loaf and Ladle Dinners and other activities throughout the spring and summer to raise funds for energy assistance. The economy has not been our friend but we are hoping that the next few months will bring new hope and a new upbeat economy.

Our deepest thanks Christine Cassidy, Ellen Horton and Lisa Lynch for donating \$1 from every sale of the 2010 Peaks Island Calendar. If you have not purchased one yet, you definitely need to do so. We are grateful to those who have made donations to Energy Assistance. We are reminded daily that our neighbors are generous and kind. Please contact us if you have questions, concerns, or ideas.

March 20, 2010 Public Dialogue- 10:00 AM @ Community Center

The Island Council's website is: <http://www.peaksislandcouncil.info/> For those without computer access, the same information is available in the Library.

An election to fill the Island Council seat vacated by Betty Heller will be held on June 6, 2010. The Island Council appointed Judy Piawlock to fill this seat until the June 6th election. Nomination papers will be available in the City Clerk's Office on February 18th. They are due back in the City Clerk's Office no earlier than March 15th and no later than March 29th. This election will fill the seat for the remainder of the three year term.

Community meetings will be held on Island Safety Services (Police, Fire & Emergency Medical) on Saturday, February 27th at 9am and on Wednesday, March 3rd at 6:30pm. Both meetings are at the Doug MacVane Community Center. These meetings will provide islanders the opportunity to provide input on our public safety services.

Peaks Island School News

In response to the "Visioning" night held in January, a task force of parents, community members and school staff has begun meeting to address the issues raised. Many creative ideas are being discussed and we will be meeting continually to work towards the goal of improving the education that Peaks Island children get here at our school. As part of this effort, Mike McCarthy of King Middle School has been invited and has graciously agreed to come out to Peaks Island to speak about the expeditionary-style curriculum at his school. Mike will be at the school at 5:00 on Thursday, March 4th, and the island community is encouraged to welcome him and hear him speak. This is a fantastic opportunity to hear from a great Maine educator and we would love to have all who are able to attend the event do so.

We were happy to welcome island seniors to our recent Valentine's luncheon. It was fantastic to have so many folks with so much island history spend some time with the youngsters. All were treated to some delicious fare including a homemade carrot soup (courtesy of Diane Price).

Thank You from the PTO

The PTO would like to thank the community of Peaks Island for supporting our recent fundraisers – the Spaghetti Dinner and Silent Auction on February 5th and the Peaks Island Improv Troupe (PIIT) on February 12th. The turnout for both events was fabulous and will allow us to fund enrichment events in and out of the classroom. Special thanks to Kim Dervis for organizing the silent auction, to all who made silent auction donations, and to the members of the PIIT for donating their time and talents.
